

Dear Friends,

It has been another busy, blessed year in our Teen Parents Program; I want to share with you a few highlights of 2007:

- ❖ “Inside & Out” Tuesday group has increased in attendance
- ❖ Our girls phone the office and ask if there is “church” every Tuesday
- ❖ Celebrated twelve high school graduations
- ❖ Taught group lessons at Salvation Army Hiawatha House during summer
- ❖ Partnered with Pure & Simple Abstinence Education to teach *Revamp*-6 Steps to Self Control
- ❖ They are all sharing prayer requests

Our annual Christmas party has outgrown our office and will be held at 1<sup>st</sup> Nazarene Church Youth Center on December 10th. We are so excited to have a larger space and access to kitchen facilities. The Collegiate Middle School Choir will be sharing holiday music with us and there will be plenty of food and presents for everyone. If you would be interested in donating gifts, food, or finances to our evening, please give me a call.

Thank you for your partnership over this last year-whether it was through prayer, time, or finances I appreciate it. May you and your family have a blessed and safe holiday season.

Pam
